DIGITAL TRANSFORMATION WITH STEAM IN A SAFE ENVIRONMENT MEETING IN SLOVENIA

at ŠOLSKI CENTER SLOVENJ GRADEC

(Slovenj Gradec 12. 12. 2022 – 16. 12. 2023)

The meeting started on Monday, 12. 12. 2022 at the school center in Slovenj Gradec (Šolski center Slovenj Gradec), after visiting school and the presentation of the Slovenian school system we headed to Maribor, second biggest city in Slovenia, where we took part in a team building workshop. Another workshop followed the next day, namely we were creating the so called Sweded movie. The workshop was followed by the project management meeting. On Wednesday we first visited the Noordung center institute of Space technologies, and after that we visited the Pohorje mountain range to hike in snow.

On Thursday the Internet of Things workshop took place, after the presentation of Internet of Things in education. On Friday we visited Ljubljana, the capital city of Slovenia.
